

Tired Tasha: Made by Emma McBride

General: Tasha is the grandmother of an incoming freshman at UofSC. She appreciates comfortable benches and good food. She loves when things are streamlined for easy use.

Criteria For Success: an easy-to-use app that provides sufficient data about the water fountains without taking time away from her grandchild's campus tour.

Needs feel comfortable while walking the campus and know where she can take a drink of water.

Wants her grandchild to stay excited about college without worrying about Tasha.

Values strategic seating and access to cold water.

Fears that the campus tour will last forever and she will never get to sit down.

"Education is the one thing that can't be taken away from you."

Michael Williams - made by Parker Lambert

age: 34

residence: Columbia, SC

education: BS Civil Engineering

occupation: Freelance Construction Consultant

marital status: Single

"I'm focused on my career."

Michael is often called to different areas of Columbia to inspect work and offer suggestions on construction design.

Criteria For Success:

Michael needs to be on time to the clients he's called to, and he needs to stay hydrated in areas that he's never been in before where he may be staying for hours.

Needs

- Needs ability to understand new areas of the city and where important things are
- Needs to stay hydrated

Wants

- Wants to keep a water bottle and a snack on him
- Wants to get to his meetings quickly
- Wants to not be a burden to the people who are paying him to be there

Values

- Values punctuality
- Values people who respect him

Fears

- Fears being late to a meeting with a client
- Fears not being able to land any business
- Scared of clowns

Patty O'Furniture- Made by Zarria Jiles

age: 19

residence: Columbia, SC (UofSC Campus)

education: College Sophomore (High school diploma)

occupation: On campus worker

marital status: Single

"Healthy body healthy life."

Patty is very active. She often likes to work out or go for a run or walk in her free time. She does not like to add to her city's air pollution so when she can, she walks to all the places she needs to be. Patty is very devoted to her health regimen. She eats healthy and drinks lots of water.
